

Requirements

- Only for members of the University of Hamburg (employees / students)
- iOS 16.0 or newer
- Remove an already installed eduroam profile (if available) under **Settings** -> **General** -> **VPN and device management** -> remove "eduroam" (with minus sign)

If you do not have a valid user ID or do not remember your password, please contact the service team at the Service Desk in the Regional Data Center (RRZ).

<h1>1</h1> <p>Connect your iOS / iPadOS device to the internet.</p> <p>e.g. via mobile network or private wi-fi network</p>	<h1>2</h1> <p>Tap on QR Code or scan with your Camera-App.</p>  <p>Tap on the yellow banner! Now the profile will be loaded!</p>
